PRESIDENT'S REPORT

Members,

On behalf of the Board of Directors, I have much pleasure in presenting the Financial Report of the Club for the Financial Year 2022/2023.

The Operating Surplus of \$1,787,248.00 before income tax reflects a year in which the Club experienced one of its best trading results, in addition to completing significant capital works in respect to the TAB area and installation of a fire protection system for the Club.

As a result, the Club finished the year with a very strong Balance Sheet which will enable the Club to meet the economic and financial challenges expected throughout the coming year.

It is pleasing to once again, thank Management and Staff for their continued support and commitment in providing services and hospitality to members and visitors for which our Club has long been recognised.

To my fellow Directors, I again thank you personally for your support and commitment during the year. The Board continues to work effectively as a team and this is crucial for the continued success of the Club.

The Club has continued to support the RSL Sub-Branch as it has done in the past.

To the members who have lost loved ones during the year, my condolences.

GRAEME WILLIAMS

President

SECRETARY MANAGER'S REPORT

It gives me great pleasure to be able to present to you my Secretary Manager's report for the 2022/23 Financial Year which proved to be a year of solid trade with the Club completing the upgrade to the Ross Jones Sports Lounge and installing the Fire Sprinkler System.

From a financial perspective it has been a very positive year for the Club. We have achieved a net profit of \$1,787,248 (before income tax expense) compared to a profit of \$1,410,644 in the 2021/22 Financial Year. Revenue from ordinary activities increased by \$2,545,917 or 22.14%. Overall, the Club had a very solid year with regards to its trade.

- Gaming machine revenue increased by \$1,552,544 or 28.51%.
- Bar and Bottle shop revenue increased by \$476,446 or 22.52% with a combined gross profit of 60.31% compared to 60.41% last year.
- Catering revenue increased by \$895,373 or 28.22%. The gross profit for the year was 57.72% compared to 59.71% last year.
- Cost of Goods sold increased by \$615,705 and by the end of the Financial Year other expenditure started to show the effects of increased costs.

Of particular note a comparison of the two years has seen the Clubs EBITDA % continues to be pleasing.

EBITDA COMPARATIVE FIGURES:

| | 2023 | 2022 |
|------------------------------------|------------------|------------------|
| Trading Profit (before Income Tax) | 1,787,248 | 1,410,644 |
| <i>Add:</i> | | |
| Depreciation | 763,158 | 730,438 |
| Interest expense | 0 | 0 |
| <i>Minus:</i> | | |
| Interest Earned | (177,193) | (13,541) |
| | 2,373,213 | 2,127,541 |
| EBITDA % | 16.90% | 18.51% |

During the year, your Club embarked on its long-awaited refurbishment of the Ross Jones Sports Lounge, the upgrade of the Club's exterior and the installation of the fire sprinkler system. At the time of writing this report all works have been completed and the comments from our members have been very pleasing with the outcome.

This year, the Club has put on a number of promotions which have been well received. Also, through ClubGRANTS, your club has made financial donations of \$95,846 to over 45 community organisations. In addition, we have supported many other organisations with in-kind and voucher donations.

To the Club's Managers, Department Heads and Supervisors that perform their duties to maintain our friendly staff approach and who, at times, do not receive the accolades they deserve, a grateful thankyou. To all staff behind the scenes and in front of house, we all appreciate your contribution immensely and please be assured that it is not taken for granted. Well done.

SECRETARY MANAGER'S REPORT *(continued)*

My sincere appreciation goes to President Graeme Williams and the Board of Directors who have been extremely busy and have committed 100% of their efforts and focus to ensure they make decisions or recommend strategies which are in the best interest of all members. Balancing family responsibilities, being committed members and company directors comes with its challenges. However, as a united Board, they have not only delivered a very sound financial result but more importantly remained true to their charter of setting policy and strategy for a positive future for the Club.

Everyone I have thanked above are important for the success of the Club, however, the most important requirement to any successful club is the continued patronage of its members. The members are our family, and to members that have had the misfortune of losing a loved one in the past 12 months, please accept my sincere condolences. I would like to thank all our members for their continued support and usage of the Club's facilities and hope that the Merimbula RSL continues to be a warm, welcoming, entertaining and relaxing space for you all to enjoy.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30TH JUNE, 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation:

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures of the Australian Accounting Standards Board (AASB) and the Corporations Act 2001. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements are in Australian dollars and have been rounded to the nearest dollar.

The prior year financial report was prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements. The transition from the previous financial reporting framework to Australian Accounting Standards – Simplified Disclosures has not affected the Clubs reported financial position, financial performance and cashflows.

The financial statements were authorised for issue on 24th September, 2023 by the directors of the company.

Critical accounting estimates and judgements

Management is required to make judgements, estimates and assumptions about reported amounts of assets, liabilities, Incomes and expenses that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods if the revision affects both current and future periods.

Judgements made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustment in the next period are disclosed where applicable, in the relevant notes to the financial statements:

Estimations of useful lives of non-current assets – The useful life of property, plant and equipment and lease assets, (where useful life is greater than the lease term) is initially assessed at the date the asset is ready for use and reassessed at each reporting date based on the use of the assets and the period over which economic benefits will be derived from the asset. There is uncertainty in relation to the assessment of the life of the asset including factors such as the rate of wear and tear and technical obsolescence. The estimates and judgements involved may impact the carrying value of the non-current assets and the depreciation and amortisation charges recorded in the statement of profit or loss and other comprehensive income should they change.

MERIMBULA RSL CLUB LIMITED

ABN 66 000 965 560

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Accounting Policies:

(a) **Inventories:** Inventories are measured at the lower of cost and net realisable value.

(b) **Property, Plant and Equipment:**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

1. **Property:**

Freehold land and buildings are shown at cost less subsequent depreciation for buildings. It is the policy of the economic entity to have an independent valuation every three years, by external independent valuer, with annual appraisals being made by Directors – refer Note 10.

2. **Plant and Equipment:**

Plant and Equipment are measured on the cost basis and are therefore carried at cost, less where applicable, accumulated depreciation and any accumulated impairment.

In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present – refer Note 1(m).

Plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

3. **Depreciation:**

The depreciable amount of all fixed assets including building and capitalised lease assets but excluding freehold land, is depreciated on a straight line basis over the asset's useful life to the entity commencing from the time the asset is available for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:-

| Class of Fixed Asset: | Depreciation Rate: |
|------------------------------|---------------------------|
| Buildings | 2.5% to 5% |
| Plant and Equipment | 10% to 22.5% |

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each statement of financial position date.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of profit or loss and other comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

(c) **Revenue Recognition:**

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Donations:

Donations and bequests are recognised as revenue when received.

(c) **Revenue from contracts with customers:**

For current year:

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams:

The revenue recognition policies for the principal revenue streams of the Company are:

Sales Revenue:

Sale revenue includes bar sales, poker machine income, catering income, Keno and TAB income. All of the services and goods for these revenue items are provided to customers at the time of the sale and income is accounted for at that time. If deposits are held for any of these revenue items a liability is booked until the service or goods have been provided to the customer and then for as income.

Membership Income:

Membership income is received in advance for the period of membership paid for. A liability is booked for membership income if received in advance with the income spread over the membership period paid for.

Other Income:

Other income is recognised on an accruals basis when the Company is entitled to it.

(d) Employee Provisions:

Short-term employee provisions:

Provision is made for the company's obligation for short-term employee benefits. Short-term employees benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employee render the related service, including wages, salaries and sick leave. Short-term employees benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

Other long-term employee provisions:

Provision is made for employees long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payment to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

(d) **Employee Provisions:** *(continued)*

Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss as a part of employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current employee provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlements for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Provisions:

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(e) **Income Tax:**

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to profit or loss is the tax payable on taxable income. Current tax liabilities (assets) are measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well as unused tax losses. Current and deferred income tax expense (income) is charged or credited outside profit or loss when the tax relates to items that are recognised outside profit or loss. Except for business combinations, no deferred income tax is recognised from the initial recognition of an asset or liability where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled and their measurement also reflects the manner in which management expects to recover or settle the carrying amount of the related asset or liability. Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Where temporary differences exist in relation to investments in subsidiaries, branches, associates and joint ventures, deferred tax assets and liabilities are not recognised where the timing of the reversal of the temporary difference can be controlled and it is not probable that the reversal will occur in the foreseeable future.

Current tax assets and liabilities are offset where a legally enforceable right of offset exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur. Deferred tax assets and liabilities are offset where: (a) a legally enforceable right of offsets exists; and (b) the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities, where it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur in future periods in which significant amounts of deferred tax assets or liabilities are expected to be recovered or settled.

(f) **Cash and Cash Equivalents:**

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdraft.

Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

(g) Trade Receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Trade receivables are due for settlement no more than 30 days from the date of recognition. Collectability of trade debtors is reviewed on an on-going basis. Debts which are known to be uncollectable are written off. A provision for doubtful receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is the difference between the carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. The amount of the provision is recognised in the statement of comprehensive income.

When a trade receivable for which an impairment allowance had been recognised becomes uncollectable in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

(h) Trade and other Payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date.

(i) Members' Subscriptions in Advance:

Subscriptions received in advance for the financial year have been carried forward as a current or non-current liability.

(j) Comparative Figures:

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(k) Goods and Services Tax (GST):

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from or payable to the taxation authority is included with other receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from or payable to the taxation authority are presented as operating cash flows.

(l) Financial Instruments:

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument. On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets:

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification:

On initial recognition, the Company has only ever held financial assets categorised as at "amortised cost" financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

MERIMBULA RSL CLUB LIMITED

ABN 66 000 965 560

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Amortised cost:

Assets measured at amortised cost are financial assets where:

- the business is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal interest on the principal amount outstanding.

The company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position. Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provisions for impairment.

Interest income, losses and impairment are recognised in profit and loss. Gain or loss on derecognition is recognised in profit or loss.

Impairment of financial assets:

Impairment of financial assets is recognised on an expected credit loss (ECL) for financial assets measured at amortised cost. When determining whether the credit risk for financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held).

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables:

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default. The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expenses. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost:

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Financial Liabilities:

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised costs using the effective rate method. The financial liabilities of the Company comprise trade payables, bank and other loans and finance lease liabilities.

ABN 66 000 965 560

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

(m) **Impairment of Assets:**

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Profit or Loss and other Comprehensive Income.

Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(n) **Retirement Benefit Obligations:**

Defined contribution superannuation benefits:

All employees of the company receive defined contribution superannuation entitlements, for which the company pays the fixed superannuation guarantee contribution (currently 11% of the employees average ordinary salary) to the employees superannuation fund of choice. All contributions in respect of employees' defined contribution entitlements are recognised as an expense when they become payable.

The company's obligation with respect to employees' defined contribution entitlements is limited to its obligation for any unpaid superannuation guarantee contributions at the end of the reporting period. All obligations for unpaid superannuation contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as current liabilities in the company's statement of financial position.

Employee Provision:

Employee Provisions represent amounts accrued for annual leave, sick leave and long service leave. The current portion for this provision includes the total amount accrued for annual leave entitlements, sick leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service.

Based on past experiences, the company does not expect the full amount of annual leave, sick leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

NOTE 15: FINANCIAL RISK MANAGEMENT

2022 \$

2023 \$

(a) Financial Risk Management:

The entity's financial instruments consist mainly of deposits with the banks, accounts receivable and payables. The entity relies on this working capital as its source of funds. The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial reports, are as follows:

| | Financial Assets | Note | |
|------------------|------------------------------------|------|------------------|
| 419,854 | Cash at Bank | 6 | 466,040 |

| 894,413 | Total Financial Liabilities | | 1,625,970 |

NOTE 16: FAIR VALUE MEASUREMENTS

The company has the following assets, as set out in the table below, that are measured at fair value on a recurring basis after their initial recognition. The company does not subsequently measure any liabilities at fair value on a recurring basis and has no assets or liabilities that are measured at fair value on a non-recurring basis.

Recurring fair value measurements:

Property, Plant and Equipment

| | | |
|-------------------|--------------------------------|-------------------|
| 9,616,191 | Freehold Land and Improvements | 11,798,635 |
| 1,893,141 | Plant and Equipment | 1,780,902 |
| 11,509,332 | | 13,579,537 |

For freehold land and buildings, the fair values are based on a directors' valuation taking into account an external independent valuation performed in previous years, which used comparable market data for similar properties.

NOTE 20: BANK GUARANTEE

At the request of the company, the Merimbula RSL Club Ltd bank is holding a bank guarantee in favour of the Totalisator Agency Board of NSW to the value of \$5,000.

NOTE 21: KEY MANAGEMENT PERSONNEL

The Company is run by the Board of Directors. All major business decisions are made by the Board. The day to day business of the Company is run by the employees of the Company. As all major business decisions are made by the Board, no key management personnel disclosure are deemed appropriate.

NOTE 22: CAPITAL MANAGEMENT

Management controls the capital of the entity to ensure that adequate cash flows are generated to fund its mentoring programs and that returns from investments are maximised within tolerable risk parameters. The finance committee ensures that the overall risk management strategy is in line with this objective.

The finance committee operates under policies approved by the Board of Directors. Risk management policies are approved and reviewed by the Board on a regular basis. These include credit risk policies and future cash flow requirements.

The entity's capital consists of financial liabilities, supported by financial assets.

Management effectively manages the entity's capital by assessing the entity's financial risks and responding to changes in these risks and in the market. These responses may include the consideration of debt levels.

There have been no changes to the strategy adopted by management to control the capital of the entity since the previous year. The strategy of the entity is to maintain a gearing ratio below 10%.

At the years ending 30th June, 2022 and 30th June, 2023 there was no net debt.

NOTE 25: DISPOSAL OF CLUB PROPERTY – CORE OR NON CORE

That pursuant to Section 41J(2) of the Registered Clubs Act for the financial year ended 30th June, 2023:

(a) The following properties are core property of the Club:

- (i) 52-54 Main Street
- (ii) Carpark corner Alice and Main Street

(b) The following properties are non-core property of the Club:

Nil

- (i) Section 41J(2) of the Registered Clubs Act requires the Financial Report to specify the core property and non core property of the Club as at the end of the financial year to which the report relates.
- (ii) Core property is any real property owned or occupied by the Club that comprises
 - (a) the defined premises of the Club; or
 - (b) any facility provided by the Club for use of its members and their guests; or
 - (c) any other property declared by a resolution passed by a majority of the members present at a general meeting of Ordinary members of the Club to be core property of the Club.
- (iii) Non-core property is any other property other than that referred to above as core property and any property which is declared by the members at a general meeting of ordinary members of the Club not to be core property.
- (iv) The significance of the distinction between core property and non-core property is that the Club cannot dispose of any core property unless:
 - (a) the property has been valued by a registered valuer within the meaning of the Valuers Act 2003; and
 - (b) the disposal has been approved at a general meeting of the ordinary members of the Club at which the majority of the votes cast support the approval;
 - (c) any sale is by way of public auction or open tender conducted by any independent real estate agent or auctioneer.
- (v) These disposal provisions and what constitutes a disposal for the purpose of section 41J are to some extent modified by regulation made under the Registered Clubs Act and by section 41J itself. For example, the requirements in paragraph 4 above do not apply to:

Core property that is being leased or licensed for a period not exceeding 10 years on terms that have been the subject of a valuation by a registered valuer; Core property that is leased or licensed to a telecommunications provider for the purpose of a telecommunication tower.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MERIMBULA RSL CLUB LIMITED

Report on the Audit of the Financial Report

Opinion:

We have audited the financial report of the Merimbula RSL Club Limited (the company), which comprises the statement of financial position as at 30th June, 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of the Merimbula RSL Club Limited is in accordance with the Corporations Act 2001, including:

- (i) Giving a true and fair view of the company's financial position as at the 30th June, 2023, and of its financial performance for the year then ended; and
- (ii) Complying with Australian Accounting Standards – Simplified Disclosures and the Corporations Regulations 2001.

Basis for Opinion:

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Merimbula RSL Club Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for Audit opinion. However, our statutory audit does not cover all details of dissection of financial data.

Information other than the Financial Report and Auditor's Report Thereon:

The directors are responsible for the other information. The other information comprises the information included in the company's financial report for the year ended 30th June, 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors' for the Financial Report:

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosure Requirements and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT *(continued)*

To the Members of the Merimbula RSL Club Ltd.

Responsibilities of the Directors' for the Financial Report: *(continued)*

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transaction and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
