## NOTICE TO MEMBERS

Dear Members,

We wish to inform you that, along with the normal CPI (Consumer Price Index) increase, the Merimbula RSL Club will be implementing a new pricing structure, introducing separate pricing for Members and Non-Members. This change is designed to recognise and reward our valued Members while ensuring the continued sustainability of our Club.

The new pricing structure for the bar will take effect from the 11<sup>th</sup> March 2025 and for the dining room and coffee shop the 12<sup>th</sup> March 2025. Members will continue to enjoy the normal Gem Rewards benefits, while Non-Members will be subject to standard pricing. **To receive Member pricing, all Members must present their Membership Card at the time of purchase.**

We appreciate your support and look forward to seeing you at the Club. Should you have any questions, please do not hesitate to reach out to management.

Yours sincerely
